Barstow Community College Presidential Goals

2013-2014

I. The president will actively and professionally represent Barstow College within the Barstow College service area; and will participate in appropriate regional, state and national organizations and initiatives that support the college.

II. The president will oversee efforts to address the four remaining 2013 accreditation follow-up visit recommendations and position the college for a satisfactory 2014 follow-up visit. The president will also oversee sustainability of accreditation response efforts begun last year; will ensure continued compliance with all accreditation standards; and will provide the Board with regular accreditation progress reports. To support the goal of full accreditation for Barstow College, the president will:

- work with college personnel and the Board of Trustees to develop and implement a process for review and revision of Board Policies and Administrative Procedures.
- work with Cabinet members to increase awareness, understanding and compliance with existing Board Policies, Administrative Procedures, State regulations, and Education Code.
- ensure that funding allocations are 1) tied to planning; 2) congruent with the mission, values and vision of the institution; and 3) are congruent with the stated priorities and goals.
- support college efforts to use ensure a) accurate data and b) the use of data in integrated planning efforts.

III. The president, in conjunction with the VP's of Instruction and Student Services, will provide leadership in Barstow College's response to the mandates of the student success act. This requires increased collaboration with K12 Districts and 4-year colleges and universities; involvement of Academic Senate; and a renewed focus on student success as measured by the Scorecard.

IV. The president will lead a college-wide effort to increase collaboration, encourage civility, and demonstrate behaviors that are congruent with Barstow College's ethics and values.

V. The president, in conjunction with the vice president of administrative services and the facilities committee, and in compliance with the Facilities Master Plan, will move forward impending construction projects; develop and submit appropriate new construction projects for state approval; and work with appropriate community and city agencies to develop an operation plan for the PAC.

VI. The president, in conjunction with the college safety committee and local public safety agencies, will advance college emergency preparedness efforts.

VII. The president will work with the Barstow College Foundation to increase communication and encourage a collaborative relationship between the college and the foundation.

VIII. The president will promote and support efforts at developing and expanding transfer, career/technical education and basic skills programs intended to meet the educational, workforce, and economic needs of the greater Barstow region. The president will also support contract education efforts to meet the training needs of local business and industry partners.

IX. The president will effectively oversee the college's finances, maintain a budget reserve of at least 15%, engage in cost containment and effective enrollment management, as well as seek ways of enhancing institutional revenues.

President's Office Mission Statement

The office of the president, in partnership with the elected board of trustees, provides the leadership to guarantee educational quality, promote student success and engagement, maintain fiscal solvency, and develop and nurture useful community, regional, state, and national relationships.
