Other Information

20.	Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit). **For question #19, "Employment Rates for CTE Students," we were to provide employment data for programs that had 10+ completers in the designated year. The designated year being 18/19, job placement rates (as measured in the year following graduation) would need to be from 19/20. We use the Perkins Core indicator report for job placement data; the most recent data available is from 17/18. Therefore, we looked at job placement rates in 15/16, 16/17 and 17/18 for programs that had 10+ completers in 17/18.**

The data included in this report are certified as a complete and accurate representation of the reporting institution.
